

### **SPIRIT NIGHTS (aka Dine and Donate) – 3 hours (typically 5pm-8pm)**

Centerton Square: Monday, Wednesday, Thursday  
East Gate Square: Monday, Tuesday, Thursday

- Spirit Nights are a great way to use a group effort to bring in money. The more food purchased on your spirit night the more money your organization will receive from us.
- Your guests need to simply tell the cashiers they're here for the event and their order will be counted. We can send a flyer as well to help with advertising although it's not necessary to have it that night.
- The percentage we donate back is based on what your group brings in NOT on the total sales of the restaurant during that 3 hour time period.
- **Percentage of money donated back to you is as follows:**

\$0-\$749 is 15%  
\$750-\$1499 is 20%  
\$1500 and over is 25%

### **THIRD PARTY SALES/CONCESSIONS**

- Basic sandwich concessions (aka Third Party Sales) You can take pre-orders or perhaps have sandwiches available at an event such as sports concessions or as a vendor sale at a spirit event.
- The cost is \$3.50 per sandwich, **you can resell for up to \$4.50 and keep all profits.**
- Often, what seems to work is offering a bottle of water (from Costco, BJ's) and pairing that with the sandwich and charging \$5 or \$6. You'll profit from both sales.
- We will lend you our heating bags that, when plugged in, will keep the sandwiches hot for three hours.
- Payment is not needed until the end of the business day (10pm).

### **NUGGET TRAYS**

- Your group takes pre-orders and once we decide on a pick-up date all products will be ready for you to take and distribute to your supporters accordingly.
- Nugget trays will be fully cooked and chilled for pick up
- Small nugget trays which contain 64 nuggets are sold to you for \$28.50 per tray and **you will receive a Spirit Night payout which equals:**

\$0-\$749 is 15%  
\$750-\$1499 is 20%  
\$1500 and over is 25%
